Dear Home Buyer,

Thank you for choosing Welcome Home Magazine, the most comprehensive publication of real estate for New Mexico. This is a publication of every home that Coldwell Banker Legacy has listed for sale. We have organized it in a way that we feel will be most useful to you, first by area, then by price. Also, look for the TV Home Show icon on the property photo. Go to www.CBLegacy.com to see the Home Show on the Net or view 360 degrees photos. You may notice in the index that the area includes a color code that matches the header inside the book.

At the beginning of the book you will notice there is a section of luxury properties, the Previews Properties. Coldwell Banker sells more luxury properties in the United States than any other company. These Previews homes are sorted by price.

As you can see, we represent properties throughout the Albuquerque metro area including Placitas, the East Mountains, Bosque Farms, Los Lunas, North Valley, Corrales, West Side, Rio Rancho and the center of town. We have the largest selection of properties from which you can choose.

If there is any other way we could be of service to you, we would love to share with you some of the benefits of our company. We are the largest real estate company in New Mexico and this is by far the largest inventory assembled in any color book especially designed to make it easy for the buyer to use. Thank you for picking it up. We hope we can serve you in the future.

Enjoy.
